Three associates from **JM Family Enterprises** subsidiaries, **Southeast Toyota Distributors LLC** and **JM&A Group**, have been promoted to vice president.

**Kevin Fleeger** has been promoted to vice president of parts and service support for **SET**, announced **SET** President **Ken Czubay** and Senior Vice President **Ed Sheehy**. **Fleeger** has served **SET** in the areas of parts and service, as well as accessory sales. Prior to joining the company in 1997, he was employed by Nissan Motor Corporation. **Fleeger** earned a bachelor's degree in engineering from Penn State University and a master's degree in business from Robert Morris College.

**Czubay** and **Sheehy** also announced that **Al Green** has been promoted to vice president of marketing for **SET**. **Green** joined the company in 1997 as a fixed operations consultant and was a key contributor to **SET's** parts and service, distribution and marketing departments. Prior to joining **SET** he was employed by General Motors. **Green** earned a bachelor's degree in accounting from Howard University in Washington, D.C. and a master of business administration in finance and marketing from Indiana University.

**Mike Pritchard** has been promoted to business process integration vice president for **JM&A Group**, announced **Forrest Heathcott**, president of **JM&A**, and **Ron Coombs**, senior vice president. Since joining **JM&A** as director of sales planning and analysis in 2000, **Pritchard** has led the sales planning and analysis department. He has also worked with product development and operations. **Pritchard** will continue to lead the company's business process re-engineering as well as the Dealer E-Business department. Prior to joining **JM&A**, he worked for **World Omni Financial Corp.**, another **JM Family Enterprises** company, in a variety of financial and analytical capacities. **Pritchard** earned a bachelor's degree in finance/economics and a master's degree of business administration in finance and decision information systems from the University of Florida.
