But many routine maintenance services and most major mechanical breakdowns could hit you with the same costs as if you owned your vehicle.

Until now. We have created a comprehensive protection plan especially for you, our lease clients, to protect you against the unexpected.

With our Lease Vehicle Protection Plan, you can be sure that you're covered for virtually any mechanical failure, plus additional benefits to keep you going – wherever you are. And if you decide to purchase or re-lease your car at lease-end, you are guaranteed the option to purchase a new service contract.
