Powertrain Plan

Powertrain covers the major components on your vehicle and offers protection against major mechanical breakdowns.

**Engine:** Engine block and cylinder heads and all internally lubricated parts including pistons, piston rings, pins and cylinder sleeves; connecting rods, pullies, main bearings, caps and bolts; connecting rod, rod bearings, caps and bolts; camshaft(s), camshaft bearings, buttons and plugs; timing gears and timing chain or pulley; rocker arms, rocker arm pivots, shafts and bushings; intake and exhaust valves, springs, guides, adjusters, retainers and end seals; pushrods and lifters; intake manifold; exhaust manifold; exhaust manifolds; balance shaft; water pump; fuel pump; thermostat, oil pump, cover, pressure relief valve and sensor; engine housing, stators and silent shaft; all internal fasteners, nuts and bolts; turbocharger/high-pressure charge assembly including boost valve and wastegate; seals and gaskets.

**Drive Axle:** Constant velocity joints; slip joint; front wheel drive axle, shafts and shaft bearings; u-joints; couplings; flex disc; prop shafts; center support bearings.

**Brakes:** Master cylinder; vacuum or hydraulic brake booster assembly; hydraulic lines, hoses and fittings; brake pedal apply pins; seals and gaskets. (ABS COMPONENTS NOT COVERED.)

**Air Conditioning:** Condenser; compressor; evaporation core; expansion; seals and gaskets.

**Engine Block and Cylinder Heads:** Upper and lower control arms, shafts and bushings; struts and cartridge; steering knuckle and spindle support; struts, housing and cartridge; spindle/shaft boot, seals, struts and control arms; coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner; bearing and pulley.

**Front Suspension:** Wheel bearings; ball joints and bushings; kingpin and bushings; stabilizer bar, links and bushings; torsion bar, links and bushings; track bar, links and bushings; coil and leaf springs, seats and bushings, leaf and internal parts including control valve, rack bellows, mounts, control rings, yoke; external housing; speedometer drive gear; accumulators and rings; adjustor, all internal fasteners, nuts and bushings; shaft cover and links; separate ball bearing housing, transfer case and all internal parts contained within the transfer case; seals and gaskets. (STANDARD TRANSMISSION CLUTCH ASSEMBLY AND ALL COMPONENTS ARE NOT COVERED)

**Transmission/Transfer Case/Transfer**

**Transmission/Transfer Case/Transfer Case**

**Transmission/Transfer Case/Transfer Case**

**Front Suspension:** Upper and lower control arms, shafts and bushings; struts, housing and cartridge; steering knuckle and spindle support; struts, housing and cartridge; spindle/shaft boot, seals, struts and control arms; coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner; bearing and pulley.

**Air Conditioning:** Condenser; compressor; evaporation core; expansion; seals and gaskets.

**Engine Block and Cylinder Heads:** Upper and lower control arms, shafts and bushings; struts and cartridge; steering knuckle and spindle support; struts, housing and cartridge; spindle/shaft boot, seals, struts and control arms; coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner; bearing and pulley.

**Front Suspension:** Wheel bearings; ball joints and bushings; kingpin and bushings; stabilizer bar, links and bushings; torsion bar, links and bushings; coil and leaf springs, seats and bushings, leaf and internal parts including control valve, rack bellows, mounts, control rings, yoke; external housing; speedometer drive gear; accumulators and rings; adjustor, all internal fasteners, nuts and bushings; shaft cover and links; separate ball bearing housing, transfer case and all internal parts contained within the transfer case; seals and gaskets. (STANDARD TRANSMISSION CLUTCH ASSEMBLY AND ALL COMPONENTS ARE NOT COVERED)

**Transmission/Transfer Case/Transfer Case**

**Front Suspension:** Upper and lower control arms, shafts and bushings; struts, housing and cartridge; steering knuckle and spindle support; struts, housing and cartridge; spindle/shaft boot, seals, struts and control arms; coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner; bearing and pulley.

**Air Conditioning:** Condenser; compressor; evaporation core; expansion; seals and gaskets.

**Engine Block and Cylinder Heads:** Upper and lower control arms, shafts and bushings; struts and cartridge; steering knuckle and spindle support; struts, housing and cartridge; spindle/shaft boot, seals, struts and control arms; coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner; bearing and pulley.

**Front Suspension:** Wheel bearings; ball joints and bushings; kingpin and bushings; stabilizer bar, links and bushings; torsion bar, links and bushings; coil and leaf springs, seats and bushings, leaf and internal parts including control valve, rack bellows, mounts, control rings, yoke; external housing; speedometer drive gear; accumulators and rings; adjustor, all internal fasteners, nuts and bushings; shaft cover and links; separate ball bearing housing, transfer case and all internal parts contained within the transfer case; seals and gaskets. (STANDARD TRANSMISSION CLUTCH ASSEMBLY AND ALL COMPONENTS ARE NOT COVERED)

**Transmission/Transfer Case/Transfer Case**

Silver Plan

Silver offers all of the same features of Powertrain, with the following additional benefits:

**Transmission/Transfer Case/Transfer Case**

**Front Suspension:** Upper and lower control arms, shafts and bushings; struts, housing and cartridge; steering knuckle and spindle support; struts, housing and cartridge; spindle/shaft boot, seals, struts and control arms; coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner; bearing and pulley.

**Air Conditioning:** Condenser; compressor; evaporation core; expansion; seals and gaskets.

**Engine Block and Cylinder Heads:** Upper and lower control arms, shafts and bushings; struts and cartridge; steering knuckle and spindle support; struts, housing and cartridge; spindle/shaft boot, seals, struts and control arms; coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner; bearing and pulley.

**Front Suspension:** Wheel bearings; ball joints and bushings; kingpin and bushings; stabilizer bar, links and bushings; torsion bar, links and bushings; coil and leaf springs, seats and bushings, leaf and internal parts including control valve, rack bellows, mounts, control rings, yoke; external housing; speedometer drive gear; accumulators and rings; adjustor, all internal fasteners, nuts and bushings; shaft cover and links; separate ball bearing housing, transfer case and all internal parts contained within the transfer case; seals and gaskets. (STANDARD TRANSMISSION CLUTCH ASSEMBLY AND ALL COMPONENTS ARE NOT COVERED)

**Transmission/Transfer Case/Transfer Case**

Gold Plan

Gold offers all of the same features of Powertrain, Silver, and with the following additional benefits:

**Transmission/Transfer Case/Transfer Case**

**Front Suspension:** Upper and lower control arms, shafts and bushings; struts, housing and cartridge; steering knuckle and spindle support; struts, housing and cartridge; spindle/shaft boot, seals, struts and control arms; coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner; bearing and pulley.

**Air Conditioning:** Condenser; compressor; evaporation core; expansion; seals and gaskets.

**Engine Block and Cylinder Heads:** Upper and lower control arms, shafts and bushings; struts and cartridge; steering knuckle and spindle support; struts, housing and cartridge; spindle/shaft boot, seals, struts and control arms; coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner; bearing and pulley.

**Front Suspension:** Wheel bearings; ball joints and bushings; kingpin and bushings; stabilizer bar, links and bushings; torsion bar, links and bushings; coil and leaf springs, seats and bushings, leaf and internal parts including control valve, rack bellows, mounts, control rings, yoke; external housing; speedometer drive gear; accumulators and rings; adjustor, all internal fasteners, nuts and bushings; shaft cover and links; separate ball bearing housing, transfer case and all internal parts contained within the transfer case; seals and gaskets. (STANDARD TRANSMISSION CLUTCH ASSEMBLY AND ALL COMPONENTS ARE NOT COVERED)

**Transmission/Transfer Case/Transfer Case**

Platinum Plan

In addition to offering the same features of Powertrain, Silver, Gold, and Gold Plus, Platinum Plan also covers almost all assemblies of your vehicle, giving you the “Ultimate Peace of Mind” protection.

**Platinum Exclusions**

Under platinum coverage, the following parts are excluded:

- Brake lines, brake drums and rotors, disc brake pads, standard transmission clutch components, air bags, solar powered devices, hinges, glass, lenses, sealed beams, body panels and parts or panels, irons, moldings, door locks, door cylinder, locks, cylinders, tires, wheels, batteries, light bulbs, upholstery, paint, bright metal, freezeproof, heater and radiator hoses, exhaust system, shock absorbers, audio, security or other systems not factory installed, work such as front alignment and wheel balancing, constant velocity joint boots, safety restraint systems, cellular phones, radar detectors, appliances, vinyl and convertible tops.
**Certified Pre-Owned**

When you choose the Certified Pre-Owned Service Contract Plan that’s right for you, you can purchase coverage up to an additional 100,000 miles, depending on the age and mileage of your vehicle. And if you buy protection now, you can include the cost of the plan you choose in the financing of your vehicle.

### Extras. Our favorite part.

In addition to all that’s covered under our protection plans, we decided to throw in these additional goodies.

<table>
<thead>
<tr>
<th>BENEFITS*</th>
<th>RENTAL CAR COVERAGE</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Reimbursement up to $55 per day for up to 10 days for covered repairs.</td>
</tr>
<tr>
<td></td>
<td>Payment of up to $75 in towing charges per covered mechanical breakdown.</td>
</tr>
<tr>
<td></td>
<td>If you're more than 100 miles from home when you break down, we will pay up to $75 per day, up to $375 per covered occurrence, for food and lodging.</td>
</tr>
<tr>
<td></td>
<td>Replacement of necessary fluids, oils, greases, lubricants, and approved air conditioner gases with a covered repair.</td>
</tr>
<tr>
<td></td>
<td>Each plan is fully transferable, making your car more appealing to potential buyers.</td>
</tr>
<tr>
<td></td>
<td>The cost of the selected plan can be included in the financing of your vehicle.</td>
</tr>
<tr>
<td></td>
<td>Receive service at greater than 5,000 authorized service centers and repair facilities.</td>
</tr>
<tr>
<td></td>
<td>Repair or replacement of a tire that is damaged by a road hazard such as debris on the road or potholes.</td>
</tr>
</tbody>
</table>

*Coverage level availability may be limited based on the age and mileage of your vehicle.

### Powertrain Coverage

- **Silver Coverage**
- **Gold Coverage**
- **Gold Plus Coverage**
- **Platinum Coverage**

**Did you hear?** You can select a plan where all major components are covered. So, if you have any trouble with your certified pre-owned vehicle, take it to your dealer and for covered repairs you’ll only pay the deductible you selected. Take a closer look inside, and decide which plan is right for you. We’re happy to help make your life a little easier.

Ask your salesperson or finance manager for our Certified Pre-Owned Service Contract Plan, and put an end to your way to a carefree driving experience.
